

OHSCompliance Course Outline

NOISETRAC - NOISETRAC Hearing Loss Prevention Training

Version: 2026-05-20

Purpose:

NOISETRAC hearing loss prevention training helps employers address noise exposure, hearing protection and awareness.

Audience:

Workshop teams, manufacturing employees, maintenance workers, supervisors and employees exposed to noisy work.

Learning outcomes:

- Recognise noise exposure risks.
- Improve hearing protection awareness.
- Support reporting of noisy work and controls.
- Connect noise controls to inspections and reviews.

Typical evidence issued:

Attendance register and course completion evidence. Credit-bearing or accredited certification depends on the provider.

Related safety file evidence:

- PPE issue records
- noise awareness attendance
- inspection notes
- risk assessment controls

Category: High-risk work
